Dear Valued Customer,

Synthes GmbH is initiating a field safety notice (removal) for two lots of TFNA Femoral Nails, one lot of VA-LCP Clavicle Plates, and one lot of OPAL Intervertebral Cages listed in the table above. The TFNA system is intended for temporary fixation and stabilization of proximal femur fractures. The VA-LCP Clavicle Plate is intended for fixation of clavicle bone fragments. The OPAL Intervertebral Cage is intended for degenerative spine disease.

Our records show that you, or your facility, received one or more units of the product lots listed above. Please carefully review this notice for the steps that you should take to respond to this field safety notice (removal).

Reason for the Field Safety Notice (Removal):

The subject products are being removed from the field because lot 3744P37 was not sterilized, and sterility cannot be confirmed on lots 4489P98, 1201P12, and 427P153.

Potential Patient Impact:

While manufacturing conditions of the subject devices are maintained to reduce contamination, their use may result in infection. Health care providers who have implanted the subject products should continue to follow those patients pursuant to their standard of care for those procedures.

To date, we have not received any complaints related to infection for the subject products.

Please Take the Following Steps:

1. Examine your inventory immediately to determine if you have the subject products and quarantine them immediately. **DO NOT USE THE SUBJECT PRODUCTS.**
2. Contact your DePuy Synthes Sales Consultant or contact the customer support services at (enter country contact) <mailto:> to coordinate the return/credits of the subject products.
3. Review, complete, sign, and return the attached Business Response Form (page 3 of this letter) to (enter country contact) within three (3) business days of receipt of this notification. Please include in the email subject: FA 2348044 TFNA/VA-LCP/OPAL.
4. Please complete the attached Business Response Form even if you do not have the subject products on hand.

5. Forward this notice to anyone in your facility that needs to be informed (e.g., those who manage, transport, store, stock, or use the subject products).
6. If any of the subject products have been forwarded to another facility, contact that facility and provide them with this notice.
7. Post a copy of this notice in a visible area for awareness and keep a copy for your records.

This field safety notice (removal) has been reported to the relevant health authorities. If you have any questions, please contact your local DePuy Synthes Sales Consultant. For Medical Information request, please visit our website: <https://www.jnjmedicaldevices.com/mir>.

Sincerely,
