This phase 2 (removal) Field Safety Notice is a follow-up on the phase 1 (notification) Field Safety Notice you received dated 18 December 2025 and initiates the removal under phase 2 of this Field Safety Corrective Action for one or more affected devices within your facility.

Zimmer Surgical, Inc. is conducting a serial specific medical device phased Field Safety Corrective Action for the Zimmer Air Dermatome and Zimmer Dermatome AN listed in **Attachment 2 – Affected Product List**. Multiple product complaints have been received related to Air Dermatome devices that were cutting beyond the proper depth. Inspections of the returned product complaint devices confirmed that affected devices may have a misaligned thickness control bar. If the device has a misaligned thickness control bar from manufacture, it would be expected to manifest such that any potential negative outcomes would be present upon the first few uses.

Our records indicate that you may have received one or more of the affected products. The affected products were distributed between September 2023 and November 2025.

Hospital Responsibilities

1. Review this Field Safety Notice and ensure that affected personnel are aware of the contents.
2. Immediately locate and quarantine any affected product in your inventory. Your Zimmer Biomet representative may assist you with the return process and the opportunity to receive a non-affected product as loaner or replacement.
3. If any affected product has been further distributed, provide your customers with this Field Safety Notice and ensure documentation.
4. Complete **Attachment 1 – Certificate of Acknowledgement** and send it to [REDACTED]
5. Retain a copy of **Attachment 1 - Certificate of Acknowledgement** with your records in the event of a compliance audit of your facility.
6. If you have further questions or concerns after reviewing this Field Safety Notice, please contact your local Zimmer Biomet representative.

Surgeon Responsibilities

1. Review this Field Safety Notice and ensure that affected personnel are aware of the contents.
2. Due to the likelihood that the issue would occur upon the first few uses, affected devices that have not exhibited the issue may continue to be used until the affected device is requested to be removed from your facility by your local Zimmer Biomet representative.
 - a. Submit a Product Experience Report to your local Zimmer Biomet representative in case an issue occurs with one of the affected devices.
3. If you have further questions or concerns after reviewing this Field Safety Notice, please contact your local Zimmer Biomet representative.
